To all parties, participants and presenters who were recipients of the Niagara Escarpment Hearing Office's Order dated April 15, 2016:

Re: Urbaniak v. Ontario (Niagara Escarpment Commission)
Case No.: 15-176

Pursuant to Rule 232 of the Environmental Review Tribunal's *Rules of Practice*, this is to advise that the Tribunal has amended the Order issued on April 15, 2016 due to typographical error, error of calculation or other similar error. The following changes have been made:

- Page 6, paragraph 15, second sentence is replaced as follows:

Ms. Gillham explained that the application has arisen because of a settlement in another related matter and that the CCC was a party to that related matter.

- Page 10, paragraph 31, line items one to three are changed as follows:

April 8, 2016 Draft issues list to be circulated by the Township to all other parties. Parties and participants to exchange all documents relevant to the proceeding and in their possession, control or power.

April 15, 2016 Draft procedural order and issues list to be jointly filed by the parties with the NEHO.

April 29, 2016

Witness statements and documents to be relied on at the hearing, of Urbaniaks, Marilyn Young, Melksham Holdings, Township, and Walker Aggregates to be served on the other parties, on participants who so request, and filed with the NEHO.

- Page 11, paragraph 32, first sentence is replaced as follows:

The PHC in this matter is adjourned and will reconvene on June 10, 2016 at 10 a.m. in Stayner or as otherwise ordered by the NEHO.

In all other respects, the Tribunal's Order remains unchanged.

The corrected Order will be available on the Tribunal's website: www.elfo.gov.on.ca.

Sincerely,
